

Name: _____

♥ PONY MATH FUN! ♥ Let's add, subtract, and count!

1. ADD the ponies. Write the answer.

$$\begin{array}{rclcl}
 \text{pony} & \text{pony} & + & \text{pony} & = & \boxed{} \\
 \text{pony} & \text{pony} & \text{pony} & + & \text{pony} & \text{pony} & = & \boxed{} \\
 \text{pony} & \text{pony} & \text{pony} & \text{pony} & \text{pony} & + & \text{pony} & = & \boxed{}
 \end{array}$$

2. SUBTRACT the ponies. Write the answer.

$$\begin{array}{rclcl}
 \text{pony} & \text{pony} & \text{pony} & \text{pony} & - & \text{pony} & \text{pony} & = & \boxed{} \\
 \text{pony} & \text{pony} & \text{pony} & \text{pony} & - & \text{pony} & = & \boxed{} \\
 \text{pony} & \text{pony} & \text{pony} & \text{pony} & \text{pony} & - & \text{pony} & \text{pony} & \text{pony} & = & \boxed{}
 \end{array}$$

3. COUNT and write how many.

			
			

4. MORE or LESS? Write <, >, or =.

 		   
  		 
    		   

5. FILL in the missing number.

$$\begin{array}{rclcl}
 \text{pony} & \text{pony} & + & \boxed{} & = & \text{pony} & \text{pony} & \text{pony} \\
 \text{pony} & \text{pony} & \text{pony} & - & \boxed{} & = & \text{pony} & \text{pony} \\
 \boxed{} & + & \text{pony} & \text{pony} & = & \text{pony} & \text{pony} & \text{pony}
 \end{array}$$

6. MAKE 10! Write the number of ponies that makes 10.

$$\begin{array}{rclcl}
 \text{pony} & \text{pony} & + & \boxed{} & = & 10 \\
 \text{pony} & \text{pony} & \text{pony} & \text{pony} & + & \boxed{} & = & 10 \\
 \text{pony} & \text{pony} & \text{pony} & \text{pony} & \text{pony} & + & \boxed{} & = & 10
 \end{array}$$

7. WORD PROBLEM

There are 6 ponies in the field.
2 more ponies come to join them.
How many ponies are there now?

Answer: _____

8. WRITE the number sentence to match the picture.

$$\begin{array}{rclcl}
 \text{pony} & \text{pony} & + & \text{pony} & \text{pony} & = & \boxed{} \\
 \text{pony} & \text{pony} & \text{pony} & & & &
 \end{array}$$

$$\begin{array}{rclcl}
 \text{pony} & \text{pony} & \text{pony} & \text{pony} & - & \text{pony} & \text{pony} & = & \boxed{} \\
 \text{pony} & \text{pony} & \text{pony} & \text{pony} & & &
 \end{array}$$
