

American Flag Cake

Ingredients:

- White or Butter Cake
- White Frosting
- Fresh Strawberries
- Or Raspberries
- Fresh Blueberries

Directions:

1. This is such a fun dessert to make for a party or BBQ!
2. Have a grown up help you make a cake, or you can buy one at the store!
3. Wash some fresh strawberries and blueberries and dry them well so the colors don't bleed onto the frosting.
You can also use raspberries instead of strawberries if you want to!
4. If you make a cake, let it cool and then frost it with the icing.
A warm cake will melt the frosting so make sure it's nice and cool.
5. Then frost it with white frosting and copy the American flag.
Use the blueberries for the stars and the strawberries or raspberries for the stripes.
6. Keep in the fridge until it's time to eat and enjoy!
