

FARMER'S BLUEBERRY YOGURT PIE

- 9 inch pre made pie crust
- 16 oz. of greek yogurt
- 8 oz. of Cool Whip
- 2 cups of blueberries

Set aside a half a cup of blueberries in a small bowl. Have a grown up help you mix the yogurt, cool-whip and the rest of the blueberries. Spread the mixture into the pie crust, and make it look even and pretty. Decorate the top of the pie with the blueberries you set aside in the small bowl.

Gently cover and put into the freezer for about an hour. Then remove from the freezer and enjoy!

Great summer time dessert!
