

♥ Penny's ♥ ♥ Apple Pies ♥

Ingredients:

- Store bought pie crust
- 2-3 yummy apples
- a stick of butter
- brown sugar
- Cinnamon
- Cup cake pan
- Ice Cream (maybe)

Directions:

1. This is a really fun and easy dessert to make! Fall is a great time for apples and starting to get settled back to school.
2. Have a grown up help you and lay out a pie crust on the counter.
3. Use a large glass or small bowl to make round shapes and line a cupcake holders with the crust rounds.
4. Have your grown up help you cut up the apples into pieces and divide them in the pie crusts.
5. Then add a slice of butter on top so it will melt over the apples, the cinnamon and brown sugar too.
6. Bake in a 350 oven for around 15ish minutes.
7. Don't do this without your grown up's help! Once they are golden brown, take them out and let them cool.
8. Enjoy as a wonderful dessert!
Add ice cream for extra fun!
