

Chocolate Covered Strawberries

Ingredients:

- Fresh Strawberries
- Chocolate Chips
- Bowl of Sprinkles
- Cupcake Holders

Directions:

1. Wash some fresh strawberries and dry them well so the chocolate sticks.
2. Have a grown up help you and melt down the chocolate chips in a bowl, check and stir every 30 seconds until its all melted.
3. It's gonna be really HOT so be careful!!
4. Then dip the dry strawberries into the melted chocolate and dip in another bowl of sprinkles.
5. Place the strawberry in a cupcake holder.
6. Put them all on a pretty plate and put in the fridge for 30 minutes to chill.
7. Have mom close her eyes and surprise her! Enjoy! We bet she will share!
